BOOK LAUNCH – MONEY KARMA

Organised by: Commerce Department, K. P. B. Hinduja College of Commerce
Date: 3 September 2026
Author: Ms. Moona Ssahni
Participants: Approximately 100 students

The Commerce Department of K. P. B. Hinduja College of Commerce organised a book launch programme for Money Karma: 9 Mantras to Fix Your Relationship with Money by Ms. Moona Ssahni on 3 September 2026.

The programme commenced in the College Library with the unveiling of the book in the presence of the author, students and faculty members. Following the unveiling, Ms. Moona Ssahni briefly oriented the students about her book and highlighted some of its key ideas. She encouraged students to develop a better understanding of money and to reflect upon their own approach towards money.

The second session was organised in Room No. 18 and comprised an engaging Fireside Chat and Student Interaction. The conversation between Principal Prof. (Dr.) Navin Punjabi and Ms. Moona Ssahni was particularly insightful. The Principal posed several important and thought-provoking questions to the author, which led to an interesting discussion on money, financial awareness and the way individuals perceive and approach money.

The author further encouraged students to understand the importance of financial awareness and to look at money not merely as numbers, income or wealth, but as a relationship with money that is shaped by one's mindset, choices and behaviour.

The session was highly interactive and insightful, with students actively participating in the discussion and interacting directly with the author. Students enthusiastically asked questions and gained practical perspectives from Ms. Ssahni's professional experience and insights shared through her book.

Approximately 100 students participated in the programme. The active involvement of the students and the engaging interaction with the author made the event a meaningful and enriching learning experience.

The programme successfully created awareness among students about the importance of understanding money and developing a conscious approach towards financial decisions.
