Report On Beach Clean Up

The DLLE Unit of K. P. B. Hinduja College of Commerce,along with NSS, Green Club, and the BAF, BFM and BMM Departments, in collaboration with M.D. Foundation, participated in a Mega Beach Cleanup Drive held at Dadar Chowpatty Beach on 26th September 2026. The initiative was organised with the objective of promoting environmental awareness and encouraging students to take active responsibility for maintaining clean and sustainable public spaces. The programme commenced at 7:30 a.m., with students and members coming together with enthusiasm and a shared commitment towards environmental conservation.

During the drive, participants actively engaged in cleaning the beach premises and collecting waste from the surrounding areas. The activity provided students with practical exposure to environmental conservation and highlighted the importance of responsible waste management and maintaining cleanliness in public spaces. The collaborative participation of different departments and student units strengthened teamwork and encouraged students to contribute their time and efforts towards a meaningful environmental cause. The initiative also created awareness about the impact of waste on coastal ecosystems and the importance of responsible disposal practices.

Overall, the Mega Beach Cleanup Drive was a mcaningful and enriching initiative that encouraged students to move beyond awareness and take practical action for environmental protection. The active involvement of the DLLE Unit and participating departments reflected a strong spirit of teamwork, social responsibility, and community engagement. The drive reinforced the message that collective efforts, responsible habits, and consistent participation can contribute towards cleaner and healthier surroundings.
