The DLLE Unit of K. P. B. Hinduja College of Commerce organised an educational and orientation visit for the Student Manager (SM) and Deputy Student Manager (DSM) to the Nehru Planetarium, Worli. The visit provided the student leaders with an opportunity to gain valuable exposure beyond the classroom and understand the importance of experiential learning. It also helped the SM and DSM strengthen their understanding of leadership, coordination, responsibility, and effective management while representing the DLLE Unit.

During the visit, the SM and DSM had the opportunity to meet Mr. Arvind Paranjgpee, Director, Nehru Planetarium, Worli. He interacted with the student leaders and shared valuable insights on management, leadership, teamwork, coordination, and handling responsibilities effectively. His practical guidance helped the SM and DSM understand the importance of planning, communication, decision-making, discipline, and accountability while managing student activities. The interaction was highly informative and motivating, providing the student leaders with practical lessons that can be applied to their responsibilities within the DLLE Unit.

Overall, the visit to Nehru Planetarium was a meaningful and enriching experience that combined educational exposure with leadership and management development. The guidance provided by Mr. Arvind Paranjgpee added significant value to the visit and encouraged the SM and DSM to approach their responsibilities with greater confidence and professionalism. The DLLE Unit continues to promote such learning opportunities to help its student leaders develop their knowledge, management abilities, communication skills, and leadership qualities.
