10th August, 2026

The DLLE Unit of K. P. B. Hinduja College of Commerce organised a Poster Making Competition as part of the Independence Day celebrations. The competition aimed to provide students with a creative platform to express their feelings of patriotism and reflect on the significance of India's independence. Participants were encouraged to develop posters based on themes such as freedom, unity in diversity, national pride, the contribution of freedom fighters, and the responsibilities of citizens towards the nation. The activity encouraged students to combine creativity with awareness of important national values.

Students participated enthusiastically and showcased their artistic abilities, imagination, and originality through colourful and meaningful posters. Participants used illustrations, patriotic symbols, slogans, national colours, and thought-provoking messages to communicate their ideas. The competition provided students with an opportunity to explore different creative approaches while reflecting on India's journey towards independence. It also encouraged healthy competition, creative thinking, artistic expression, and greater awareness of the values associated with Independence Day.

Overall, the Poster Making Competition was a meaningful and engaging initiative that successfully combined creativity, patriotism, and student participation. The posters reflected the students' respect for the nation and their understanding of values such as unity, freedom, equality, and responsibility. The DLLE Unit used the competition as an effective platform to encourage students to express their patriotic thoughts creatively while making the Independence Day celebration more interactive, educational, and memorable.
