TAB 7 – Online Journals & E-Resources

Online Journals & Electronic Resources

The Library of **K. P. B. Hinduja College of Commerce (Autonomous)** provides access to a diverse collection of **online journals and electronic information resources** to support teaching, learning, research, innovation, and professional development. These resources complement the Library's print collection and enable users to access current, peer-reviewed, and authoritative scholarly literature across multiple disciplines.

The Library encourages students, faculty members, researchers, and staff to make effective use of electronic resources for assignments, projects, dissertations, research publications, competitive examinations, and lifelong learning.

Electronic resources provide instant access to quality academic content, ensuring that users remain updated with the latest developments in their respective fields.

Objectives

The Online Journals and E-Resources section aims to:

- Provide access to quality scholarly information in digital format.
- Support teaching, learning, and research activities.
- Promote independent and technology-enabled learning.
- Facilitate access to current research and academic publications.
- Encourage evidence-based learning and research.
- Enhance digital literacy among students and faculty.
- Support interdisciplinary and collaborative research.

Online Journals Available

The Library provides access to the following online journals for academic and research purposes.

- Academic Websites
- Digital Reference Sources

The Digital Library enables users to retrieve information quickly, efficiently, and conveniently.

Benefits of Online Journals

Online journals offer several advantages over traditional print publications.

They enable users to:

- Access the latest research and developments.
- Retrieve scholarly articles instantly.
- Search articles using keywords.
- Download research papers for academic use.
- Access multidisciplinary research.
- Improve literature review and research quality.
- Enhance classroom learning and project work.
- Stay updated with current trends and innovations.

These resources play a significant role in promoting research culture and academic excellence.

Who Can Access the Resources?

The electronic resources are available exclusively to:

- Students of K. P. B. Hinduja College of Commerce (Autonomous)
- Teaching Faculty
- Research Scholars
- Administrative Staff (where applicable)

Access is provided for educational, academic, and research purposes only.

Guidelines for Use

Users are expected to make responsible and ethical use of subscribed electronic resources.

Users shall:

- Access resources only for academic, teaching, learning, or research purposes.
- Respect copyright and licensing agreements.
- Cite all information sources appropriately.
- Download only the required material for personal academic use.
- Maintain confidentiality of login credentials.
- Comply with institutional policies regarding the use of electronic resources.

Prohibited Activities

The following activities are strictly prohibited:

- Sharing usernames or passwords with unauthorized persons.
- Commercial use of subscribed resources.
- Systematic or excessive downloading of journal articles.
- Using automated software or bots for downloading content.
- Reproducing or distributing copyrighted material without permission.
- Uploading or sharing subscribed content on public websites or social media.

Violation of these conditions may result in suspension of access privileges and disciplinary action as per College policy.

Research Support through E-Resources

The Library actively guides users in utilizing online journals and electronic resources effectively.

Library professionals provide assistance in:

- Searching online journals
- Database searching techniques

- Literature review
- Citation support
- Reference management
- Identifying quality journals
- Research methodology support
- Accessing Open Access resources

Training sessions are organized periodically to familiarize users with digital research tools and scholarly databases.

Open Access Resources

In addition to subscribed resources, the Library encourages the use of reputable Open Access resources that provide free access to scholarly literature.

These include:

- Open Access Journals
- Institutional Repositories
- Government Publications
- Educational Portals
- Research Reports
- Digital Libraries
- National Knowledge Resources

Open Access resources enhance learning opportunities while supporting inclusive access to knowledge.

Digital Learning Support

The Library continuously promotes digital learning by encouraging students and faculty to utilize online academic resources for:

- Classroom teaching
- Assignments
- Research Projects

- Case Studies
- Presentations
- Dissertation Writing
- Competitive Examination Preparation
- Faculty Research Publications

The Digital Library serves as an important platform for self-learning and academic enrichment.

Information Literacy Support

To maximize the effective use of online journals, the Library organizes Information Literacy Programmes covering:

- Effective online searching
- Database navigation
- Evaluating scholarly information
- Citation styles
- Research ethics
- Avoiding plagiarism
- Copyright awareness
- Reference management tools

These programmes empower users to become competent and ethical consumers of information.

Library's Commitment

The Library is committed to providing seamless access to quality electronic information resources and continuously upgrading its digital collection in response to changing academic requirements. Through technology-enabled services and professional guidance, the Library strives to support excellence in teaching, learning, research, and innovation.
