**“MY DUTY IS TO WORK,
SO THAT I CAN GIVE”.**

CHAIRMAN'S MESSAGE

A Message from Ashok Hinduja
Chairman, Hinduja Group

Education is not merely an investment in individuals —
it is an investment in the future of the nation.
— Ashok Hinduja, Chairman, Hinduja Group

At the Hinduja Group, we have always believed that strong institutions are built over time — through integrity, disciplined governance, and an unwavering commitment to societal progress. Education, in particular, has remained a cornerstone of our engagement with nation building.

K.P.B. Hinduja College of Commerce stands as a reflection of this belief. The College has been shaped by a clear purpose: to provide high quality, relevant education while fostering ethical judgment, professional competence, and a sense of responsibility among its students.

In an increasingly complex and fast evolving world, the role of educational institutions extends beyond academic instruction. They must prepare individuals to think critically, act responsibly, and lead with integrity. At K.P.B. Hinduja College of Commerce, this responsibility is taken seriously — supported by sound governance structures, prudent financial stewardship, and a long-term institutional outlook.

We are committed to maintaining rigorous academic standards while continually adapting to the needs of industry and society. At the same time, we remain guided by the principles that have defined the Hinduja legacy for generations: trust, transparency, professionalism, and stewardship.

As we look to the future, our focus remains on strengthening the institution — investing in faculty and infrastructure, deepening industry engagement, and expanding access to quality education — always with a view toward sustainable, long-term impact rather than short-term outcomes.

“FROM PRINCIPAL’S DESK”

Knowledge cannot be robbed, nor can it be taken away by a king. It cannot be divided among brothers, nor does it burden one. It increases, if used regularly. Knowledge is the greatest kind of wealth. It is my immense pleasure to extend a warm welcome to each of you at K.P.B Hinduja College of Commerce. As Principal, I am deeply honoured to be entrusted with the role of leading this esteemed institution that has long stood as a foundation of academic excellence, holistic education and social responsibility. It is indeed a proud privilege to be a part of a diverse community that is unanimously focused on academic advancement, ethical values and each learner’s all-round development.

Established in 1974, K.P.B. Hinduja College of Commerce needs no formal introduction. It is well recognised as one of the leading institutions imparting quality education among the aspiring youth of today.

Over five decades of its illustrious journey, marked by an unwavering pursuit of excellence, the college has earned several prestigious honours. The most distinguished accomplishments include being re-accredited by the NAAC in 2017 with an exceptional CGPA of 3.59 and a “A+ Grade”; being recognised by the UGC as a “College with Potential for Excellence”; and more recently, being ranked 14th among Private (Autonomous) Arts, Science & Commerce Colleges in India and 8th in Maharashtra in the Education World India Higher Education Rankings (2026–27).

These achievements truly reflect the collective spirit, hard work and dedication of our faculty, staff, and students. A new milestone was reached in the year 2022-23. This year, the UGC granted the college Autonomous status, allowing us to expand our legacy and develop a curriculum that caters to the changing needs of a modern business.

The year 2024 -2025 will stand out in our memory as we celebrated the Golden Jubilee of the college and marked the 75th year of education at Smt. P.D. Hinduja Trust, in the honourable presence of His Excellency, Shri Jagdeep Dhankhar, the Vice President of India. These two events were not merely jubilant celebration of our eventful journey so far; they were a reaffirmation of the legacy established by our founder Shri. Parmanand Deepchand Hinduja whose philosophy “My Dharma is to work so that I can give” continues to guide our mission of service and nation-building.

“FROM PRINCIPAL’S DESK”

As Principal, I take great pride in fostering a dynamic academic environment, that is deeply aligned with industry needs, globally oriented and firmly student-centric. These are the three pillars that define the essence of our institution. Our endeavour is to strengthen our academic programmes by increasing research opportunities and creating significant industry collaborations in order to produce industry ready graduates. We are committed to nurturing an international outlook by building partnership with global universities, encouraging student and faculty exchange programmes and integrating international perspectives into our curriculum. We are committed to prepare our learners to thrive in a globally interconnected world. At the heart of all our initiatives lies a strong student-centric philosophy. We prioritise holistic development by offering personalised mentoring, continuous academic support and ample opportunities for innovation, leadership and co-curricular engagement. Our goal is to create an environment that fosters empathy, creativity and resilience in young minds so that they realise their full potential and are prepared to take on the challenges of a rapidly changing world. Thus, boosting critical thinking, ethical leadership grounded in social engagement remain our core priorities. We are determined to provide our students with professional knowledge and the courage to make a positive impact on the world by connecting academic learning with practical experience.

Drawing inspiration from Mr. Mandela’s words “Education is the most powerful weapon which you can use to change the world” my vision for Hinduja College is to make education a true agent of change. I believe this change will empower every student to challenge the ordinary, think differently, innovate fearlessly and act responsibly. I see a campus where curiosity flourishes, diversity is celebrated and every learner is encouraged to find their unique voice.

I want to sincerely express my heartfelt gratitude to our stakeholders—students, parents, teachers, alumni, partners, and well-wishers for their unwavering trust, support and commitment to the values that define Hinduja College. Your contributions strengthen our shared mission and inspire us to reach new heights of success. Your ongoing trust, feedback and collaboration are invaluable to us.

As we continue on our journey, let us embrace the spirit of continuous learning and collective growth. Together, we will ensure that Hinduja College remains a cornerstone of excellence, inclusivity and innovation.
