Outcome of the Activity

The quiz successfully promoted **academic engagement, competitive learning and awareness among students**. It helped participants revise and apply their knowledge of economics while keeping themselves updated with developments in the business environment and current affairs. The activity also encouraged students to develop a habit of continuous learning beyond the prescribed curriculum.

The Planning Forum appreciates the enthusiastic participation of the students and congratulates all the winners for their commendable performance. **Winning Certificates** will be awarded to the prize winners, while **Participation Certificates** will be provided to all participants.

The activity was successfully conducted with the support and guidance of the **Department of Economics and the college administration**.

Conclusion

The Online Quiz Competition was a meaningful academic initiative of the Planning Forum that provided students with an engaging platform to assess and enhance their knowledge. The successful participation in the second round reflected the students' enthusiasm for academic and co-curricular activities. Such initiatives will continue to be organised by the Planning Forum to promote knowledge, awareness and healthy competition among students.
