REPORT ON PARTICIPATION IN MATHEMATRIX

Date: 6th September 2026, Sunday

K.P.B. Hinduja College of Commerce proudly participated in MATHEMATRIX, an inter-collegiate academic and analytical festival organized by R.A. Podar College. The event brought together students from various colleges to compete in a wide range of mathematical, logical, analytical, and problem-solving competitions designed to encourage innovation, teamwork, and intellectual excellence.

Representing our college under the CC Code 'AQUA', students enthusiastically participated in multiple events conducted over two days. The festival provided an excellent platform for students to showcase their analytical thinking, creativity, communication skills, and collaborative abilities while interacting with participants from different institutions.

Our contingent demonstrated exceptional dedication and competitive spirit throughout the event. The students actively engaged in challenges such as The Lost Biome, The Inferno Trials, Tri-Realm Odyssey, Algorhythm, Logic64, Cricketvers, Beyond Platform 9¾, The Elemental Cipher, and Conspiracy of Ravens. Their performances reflected the academic excellence and teamwork fostered by our institution.

The participation proved to be highly rewarding, as K.P.B. Hinduja College of Commerce secured the prestigious 2nd Runner-Up Trophy. This achievement is a testament to the hard work, perseverance, and enthusiasm of all participating students and serves as a proud moment for the college.

The Students' Council and Cultural Committee congratulate all participants for representing the college with dedication and bringing laurels to the institution. The success at MATHEMATRIX further motivates students to participate in inter-collegiate competitions and strive for excellence in future endeavors.
